Acting Director
TOXICS & WASTE MANAGEMENT DIVISION
UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
REGION IX
215 FREMONT STREET
SAN FRANCISCO, CA. 94105

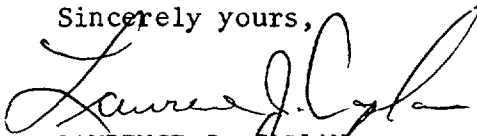

Dear Mr. Zelikson:

I am in receipt of your letter dated January 26, 1987 concerning your request for information under Section 104 of CERCLA and Section 3007 of RCRA.

Please be advised that many years ago we applied for a hazardous waste license to be used only in an emergency situation should there be a disaster on Guam.

To this date we have never dealt with any form of hazardous waste as can be attested by our semi-annual inspections conducted by the local representatives of the Guam Environmental Protection Agency.

Sincerely yours,

LAWRENCE J. CAPLAN
Secretary/Treasurer
